**PERFORMANCE MEASURES**

**For All Projects:** To complete this phase of the project within three (3) years from the date this agreement is approved by the **GRANTOR** if this portion of the project described in the Project Description does not exceed \$1,000,000 (five years if the project costs exceed \$1,000,000).

The **GRANTEE** will submit to the **GRANTOR** a complete and detailed final invoice with applicable supporting documentation of all incurred costs, less previous payments, no later than twelve (12) months from the date of completion of this phase of the improvement or from the date of the previous invoice, whichever occurs first. If a final invoice is not received within this time frame, the most recent invoice may be considered the final invoice and the obligation of the funds closed.

The **GRANTEE** shall provide the final report to the appropriate **GRANTOR** district within twelve (12) months of the physical completion date of the project so that the report may be audited and approved for payment. If the deadline cannot be met, a written explanation must be provided to the district prior to the end of the twelve months documenting the reason and the new anticipated date of completion. If the extended deadline is not met, this process must be repeated until the project is closed. Failure to follow this process may result in the immediate close-out of the project and loss of further funding.

**For Federally Funded Projects:** To comply with the federal Financial Integrity Review and Evaluation (FIRE) program, which requires **GRANTORS** and **GRANTEES** to justify continued federal funding on inactive projects. 23 CFR 630.106(a)(5) defines an inactive project as a project which no expenditures have been charged against Federal funds for the past twelve (12) months. To keep projects active, invoicing must occur a minimum of one time within any given twelve (12) month period. However, to ensure adequate processing time, the first invoice shall be submitted to the **GRANTOR** within six (6) months of the federal authorization date. Subsequent invoices will be submitted in intervals not to exceed six (6) months.

**For GRANTOR-Let Projects:** To remit payments to the **GRANTOR** in a timely manner as required under Payment Methods A, B, or C in Exhibit C. Failure to remit the payment(s), shall allow the **GRANTOR** to internally offset, reduce, or deduct the arrearage from any payment or reimbursement due or about to become due and payable from the **GRANTOR** to **GRANTEE** on this or any other contract. The **GRANTOR**, at its sole option, upon notice to the **GRANTEE**, may place the debt into the Illinois Comptroller's Offset System (15 ILCS 405/10.05) or take such other and further action as may be required to recover the debt.

**For Preliminary Engineering:** To begin right-of-way acquisition for, or actual construction of, the project for which this preliminary engineering is undertaken with Federal participation is by the close of the tenth fiscal year following the fiscal year in which the project is federally authorized, the **GRANTEE**. In the event that this work is not started within this timeframe, the **GRANTEE** will repay the **GRANTOR** any Federal funds received under the terms of this Agreement.

**For Right-of-Way Acquisition:** To begin construction of the project on this right-of-way by the close of the twentieth fiscal year following the fiscal year in which the project is federally authorized, the **GRANTEE**. In the event that construction is not started within this timeframe, the **GRANTEE** will repay the **GRANTOR** any Federal Funds received under the terms of this Agreement.
