WHEREAS, for performance of Phase 4 of the Rueck Road construction project in the City of Columbia, Illinois (the "City") the Illinois Department of Transportation (IDOT) employed Illinois Excavators, Inc. at a contract price of \$321,577.15 of which amount the City was required to pay \$122,821.04 and IDOT was required to pay \$198,750.11; and,, due to significant delay in the contractor being able to commence its work as a result of difficulties the City encountered in obtaining Illinois Power Company relocation of overhead power transmission line poles and its subsequent delay to the start of the Phase 2 and 3 of the Rueck Road construction project, the contractor cannot and is no longer required to perform the work involved in its original contract for the original and agreed upon price;

WHEREAS, the IDOT is unable and/or unwilling to pay any additional sums whatsoever for the performance of the work involved and the contractor and the City have negotiated and agreed that the contractor shall complete the work involved in Phase 4 of the City's Rueck Road reconstruction and realignment project in accordance with its original contract and the City will make and enter into a Public Works Contract with the contractor the cost increase differential occasioned by the construction delay which was beyond the control of and not caused by the contractor or the City, in the total sum of \$57,124.17 under and pursuant to a separate Public Works Contract between the City and the contractor and in additional to the sum the City originally obligated to pay under the IDOT contract with the contractor (\$122,821.04); and,

WHEREAS, the City determined that it is in the welfare and best interest of the City to complete the construction of Phase 4 of the City's Rueck Road project with IDOT funding paying \$198,750.11 of the cost involved and therefore that the Public Works Contract with Illinois Excavating, Inc. and the City for the City to pay the cost differential aforesaid should be authorized and approved as is made and provided for by this ordinance.
