Upon Roll Call vote, Aldermen Conrad, Ebersohl, Agne, Niemietz, Koesterer, Row, Huch, and Mayor Hutchinson voted yea. Motion Carried.

3. Abundant Love Fellowship Variance Order

The following Order was presented to the City:

**AN ORDER TO GRANT A VARIANCE FROM STRICT APPLICATION OF THE CITY OF COLUMBIA, ILLINOIS SUBDIVISION CODE TO ALLOW THE SUBDIVISION OF AN 84.321 ACRE TRACT OF PROPERTY BELONGING TO THE ABUNDANT LOVE FELLOWSHIP, INCORPORATED CHURCH TO BE SUBDIVIDED BY MINOR SUBDIVISION PLAT**

WHEREAS, by City of Columbia, Illinois (the "City") Ordinance No. 2408, enacted the 7<sup>th</sup> day of November, 2005, the City annexed a 84.321 acre tract of property belonging to the Abundant Love Fellowship, Incorporated Church (the "Church") to the City and by City Ordinance No. 2419, enacted the 5<sup>th</sup> day of December, 2005, the City zoned 20.28 acres of said property CP (Commercial Park Zoned District) and zoned the remaining 64.04 acres A-1 (Agricultural Zoned District);

WHEREAS, by City Ordinance No. 2431, enacted the 7<sup>th</sup> day of January, 2006, the City added to the permitted uses allowed in a CP zoned district in the City "senior care homes, nursing homes, convalescent homes and assisted living homes";

WHEREAS, the Church intends to sell or has sold the 20.28 acre tract of property that is zoned CP to a buyer who intends to develop the same for senior housing and needs to subdivide the property in order to conclude said sale;

WHEREAS, Section 34-3-26 of the City's Subdivision Code allows for the subdivision of minor subdivisions by final subdivision plat and without the requirement of preliminary subdivision plat approval or of review of the subdivision plat by the City's Plan Commission where the subdivision involves six (6) or fewer lots and otherwise qualifies as a minor subdivision as the same is defined in said Subdivision Code;

WHEREAS, Section 32-2-3 of the City's Subdivision Code defines a "minor subdivision" to be:

"Property development whether residential, commercial or otherwise, located on a unitary tract of property or upon two (2) but not more than six (6) lots, all of which front on an existing street, not involving any streets or other rights-of-way, easements and improvements, or other provisions for public area and facilities";

WHEREAS, the subject 84.321 acre tract would qualify for subdivision into two (2) separate lots (the 20.28 acre CP zoned tract and the 64.04 acre A-1 zoned tract) by minor subdivision plat but for the fact that the City sanitary sewer transmission main and City water main will be required to be extended a short distance in order to provide sanitary sewer service and water service for the senior housing to be located on the CP zoned tract and easements shall be required to be created for the same;

WHEREAS, Section 34-6-1 of the City's Subdivision Code allows the City's City Council to grant a variance or special exception from all provisions of the Subdivision Code where the City Council finds that the same is in compliance with the purpose of the Subdivision Code, and, the subdivider shows that because of topographical or other physical conditions peculiar to the site strict adherence to the requirements of the Subdivision Code would cause unnecessary hardships;

WHEREAS, the City Council has found and determined that the short extension of sanitary sewer service and water service to the CP zoned tract and the need to create easements for the same is a physical condition peculiar to the site which will result in an undue hardship and delay for the subdivider if the subdivider is required to comply with the preliminary platting requirements of the Subdivision Code and to have a preliminary plat reviewed by the City's Plan Commission in order to subdivide the property; and, that a variance should be granted to relieve of strict adherence to the City's Subdivision Code to allow the property to be subdivided by minor subdivision plat.

Alderman Niemietz moved the City Council to grant the variance from strict application of the City's Subdivision Code to allow the owner of the 84.321 acre Abundant Love Fellowship, Incorporated tract to be subdivided by minor subdivision plat and without the need of first obtaining preliminary plat approval. The motion was seconded by Alderman Conrad and the Roll Call vote was as follows:

YEAS: Aldermen Conrad, Ebersohl, Agne, Niemietz, Koesterer, Row, Huch, and Mayor Hutchinson.

NAYS: None.

ABSENT: Alderman Unnerstall.

7. Admiral Trost Development Subdivision

After a discussion by the Council regarding alternatives for the construction of sidewalks for the Admiral Trost Development subdivision, the following Order was presented to the Council.

**AN ORDER TO AMEND A PRIOR ORDER OF THE COLUMBIA, ILLINOIS CITY COUNCIL ENTERED FEBRUARY 21, 2005 WHICH PRIOR ORDER GRANTED CONDITIONAL APPROVAL OF THE PRELIMINARY SUBDIVISION PLAT FOR THE ADMIRAL TROST DEVELOPMENT SUBDIVISION IN THE CITY OF COLUMBIA, ILLINOIS AND GRANTED CERTAIN VARIANCES FROM STRICT COMPLIANCE WITH CERTAIN CITY SUBDIVISION CODE REGULATIONS**

A motion was made by Alderman Koesterer and seconded by Alderman Agne to amend the Order of the City of Columbia, Illinois City Council entered February 21, 2005 for conditional approval of the preliminary subdivision plat for the Admiral Trost Development Subdivision in the City of Columbia, Illinois and to grant certain variances from strict compliance with certain provisions of the City's Subdivision Code, as follows:

I.

Change and amend Item (13) of the February 21, 2005 Order, which reads as follows:

"As an alternative to the City Code required road, shoulder and sidewalk construction requirement, the subdivider/developer shall be required to extend the proposed barrier curb and gutter and six (6) foot wide Portland cement concrete sidewalk along the south side of Valmeyer Road adjoining the north boundary of the subdivision. In the event topographic features still result in interruptions in the construction and installation of sidewalks along and adjoining the entire north boundary of the subdivision property, notwithstanding the use and installation of the barrier curb and gutter at the subject location, the City Council shall decide at the time of final Subdivision plat approval whether to grant a Subdivision Code variance to relieve of the obligation to construct and install sidewalk along the north boundary of the subdivision or to grant such variances as are necessary to allow such breaks in the sidewalk extension at the subject location as are required by topography and still require the subdivider/developer to install the sidewalk along the south side of Valmeyer Road where topography allows and provides."

to read, instead, as follows:

As an alternative to the City Code required road, shoulder and sidewalk construction requirement, the subdivider/developer shall be required to deposit in an account created by the City Treasurer, at a bank selected by the City, which account shall be entitled "Admiral Trost Development - Valmeyer Road Sidewalk Construction Account" or something to that effect, a sum approved by the City Engineering Consultant as sufficient to construct and install a six (6) foot wide Portland cement concrete sidewalk along the south side of Valmeyer Road

adjoining the north boundary of the Admiral Trost Development Subdivision, which sum shall include the cost to construct a pedestrian sidewalk along the south side of Valmeyer Road in the Admiral Trost Development Subdivision if deemed necessary by the City Engineering Consultant in order to make the subject sidewalk Federal Americans with Disability Act (ADA) compliant for pedestrian use. Those funds and the accumulated interest earned on the fund deposits shall belong to the City and shall be used by the City to construct the subject sidewalk (and pedestrian bridge, if required) at the subject location at such future time as the City shall deem to be appropriate, after the completion of the reconstruction of the Valmeyer Road Intersection at Admiral Parkway (a/k/a Illinois Route #3) in the City. The subdivider/developer shall be required to extend the barrier curb and gutter to allow for the future sidewalk construction at the subject location to the northwest boundary of the subdivision."

## II.

The February 21, 2006 Order of the City Council aforesaid, shall remain and be in full force and effect, as amended by this Order.
